4 Bedroom, 2.00 Bathroom, 1,136 sqft

Residential on 0.13 Acres

Summerhill, Airdrie, Alberta

This well-kept bungalow offers a traditional main floor layout with numerous upgrades and plenty of potential to make it your own. It features three bedrooms on the main floor, including a spacious primary with walk-in closet and convenient Jack & Jill access to the main bathroom. A cozy wood-burning fireplace with gas igniter anchors the bright living room, while the kitchen showcases solid oak cabinetry and laminate counters. The adjoining dining room features sliding doors that open onto a sunny deck with a gazebo—perfect for outdoor dining and entertaining. The fully developed basement adds valuable living space with a large rec room, wet bar, 3-piece bathroom, and a flexible bonus room that could serve as a guest room, office, or hobby space (window does not meet legal egress). Enjoy warm summer nights around the built-in gas fire pit on the concrete patio. Year-round comfort is provided by central A/C (on contract), and many of the major updates are already done: newer vinyl windows with approximately 40 years of warranty remaining, a high-efficiency furnace (2014), and asphalt shingles replaced in 2014. All this in a great location just steps just steps from scenic Nose Creek with its walking paths and fountains, and close to shopping, dining, and more—this is a wonderful opportunity for buyers ready to add their personal touch with some gentle TLC.
